Assessor Comments	A tidy small line of F1 Wagyu x Angus Heifers showing plenty of stretch and frame to grow into quality heifers. Wagyu Heifers are the progeny from Angus heifers purchased from Northern NSW and were calved down in Queensland. Heifers were transported to the vendor's property in Narromine 3 months ago and have kept gaining weight since. The heifers are well educated, good to handle in the yards, and extremely quiet in the paddock. The vendor has 4 lots of cattle in this sale.
