	These cattle were a pleasure to handle in both the paddock and yards with no fuss at all. Only one stirred up in the race that did get quite agitated. These few were no trouble in the drafting pound and after being let out of race settled once let back in to the mob.		
Handled With	Bikes , Dogs , On foot		

Assessor Comments	A quality line of crossbred heifers that are really bouncing ahead in weight gain on lucerne paddocks that have hayed off in the heat. The Cobram Farms cattle are always bred from an excellent female base with only select sires used of high quality. These cattle are bred to perform and are renowned for their do-ability with repeat buyers.
