Frame		Quality Grades		Wrinkle Score	
C (61-65cm)	100%	Very Good	100%	Plain	100%

Assessor Comments	A very tidy line of young xbred wether lambs that represent the 2nd draft of the vendors 2022 drop terminal lamb program. They present in strong forward to prime condition with depth, bone and frame for age. Ideal lambs to carry on that have the capacity to grow into heavy export lambs at slaughter. Note there was 2 Suffolk sired lamb amongst the group of 192 handled thus allowing me to estimate 1% of this line may have Suffolk dark points This line of 480 lambs will be a run out of the gate from a group of 960 lambs that are the 2nds of the draft # The Vendor has 3 drafts of Xbred lambs over 5 lots available in this catalogue.
