Assessor Comments	An Exceptional line of April 2022 drop 1st cross Border Leicester/Merino lambs presenting in forward condition. Lambs are bred out of southern bred large frame Merino ewes with Hamilton Run blood lines and By Morton Stud Border Leicester rams. This sale represents the tops of the drop of this years lambs with the tail of the mob removed. These outstanding lambs will suit future trade or heavy export markets as they are usually retained and fattened into heavy export lambs for the vendor himself. The lambs have been weaned since the 2/9/22 and have been running back on clover and rye grass pastures. Lambs have been treated twice with Weanerguard with SE B12 6 in 1, once at lamb marking (15/7) and again on the 4/8.Lambs were shorn on the 3/10 and have come off the board very well. Lambs are still very fresh and ready to grow
