Vendor Comments	Annual sale of store lambs
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	An attractive line of majority White Suffolk sired lambs with a small percentage sired by Suffolk rams. This line-up represents the vendors annual sale of store lambs that have been weaned onto lucerne pastures and are well and truly on the way up. Ideal lambs to finish quickly into trade weights or have the potential to grow into big export weight lambs. Buyers please note that lambs weren't crutched at assessment but will be crutched prior to delivery.
