Assessor Comments	Outstanding quality Highlander Wthr Lambs. Full draft less a tail, these lambs are from the singles mob. Very fresh and growing fast these lambs are great performers. These lambs can finish on either grass or grain. A little longer in the wool than the other composite breeds but condition wise all 2 and 3 score. Please not yards have been impossible to get dry and so light soiling on the outside of the skins just from yarding, this will dry and fall off. These lambs normally present very bright white in the skin.
