Assessor Comments	Great opportunity on 2nd x store lambs crutched, weaned and ready to grow on. Animal health up to date, presenting a bit dryer in the skins and just off bloom. On very good feed now and turned the corner these lambs are putting on good weight gains after weaning. A large tail has been removed, this is the top draft of the line with tops in. Neat 4 decks to be loaded. Please note different coloured tags have been used as the tag order failed so a mixture of leftover tags had to be used. Full HD videos, pls adjust settings on playback to highest definition to enable best quality viewing
