| Temperament | Yards | Crush | Paddock |
| | Quiet: 12 head | Quiet: 11 head<br>Slightly Stirry: 1 head | Temperament not assessed in Paddock |

The Cain family weaners are an absolute pleasure to handle, it's a testament to the vendors cow herd temperament and animal handling practices. During assessment the calves were calm and relaxed when in the yards. When they were in the race, there was a very odd animal that did rush slightly and moved about when on the scales.

Handled With: Dogs , On foot , Vehicles

Notable Traits

| | Traits |
|---|---|
| 1 Head | Old Pink Eye Scar |

Assessor Comments: A/C: CG & SG Cain offer 12 Angus heifers. Vendor bred, weaned and grass assured, with plenty of recent health treatments. The Cain family have been using Rennylea Angus genetics for over 20 years. An excellent opportunity to buy a small draft of 1 mark heifers, that are bred to perform. The Cain family are offering their entire drop of weaners in this sale, including their heifers, no cattle have been retained. Genuine store condition calves with an excellent temperament. The last time the vendor offered the entire drop of heifer weaners for sale was 2019. These heifers have the frame, breed quality and temperament to become a welcome addition to any breeding enterprise. 144 Steers and 138 Heifers combined total offered in this sale. Please Note: Rennylea Angus bulls EBV data have been included in the assessment.
