Assessor Comments: On offer 110 Waygu steers Account Leggett Investments Pty Ltd. (Sold as a run out the gate 2 lots of 55 steers). These #2 backgrounder steers were weaned and sent down from Kilcloony Station in late August. They have been on a wagyu backgrounder ration since their arrival. All steers in this draft have been performing extremely well with above average weight gains. These Kilcloony steers were very good to handle and are an absolute credit to the vendors breeding and weaning program. All steers have all been vaccinated with Bovilis MH + IBR and 5 in 1. This is a great opportunity to

	secure an even line of steers that have had all the hard work done and are proven performers. with an added bonus of a tight 30kg weight spec (270-290kg) at assessment. Buyers Please also note the extended delivery dates to give confidence to any rain affected purchasers!
