Assessor Comments	Buyers, here is a nice line of very feminine Ultrablack & Ultrablack cross heifers that would make great future breeders. This line of heifers have great length of body with nice depth of flank. These heifers are soft smooth types that show good breed characteristics. Heifers where purchased from " Saint Elmo STN " Julia Creek as light weight NSM future breeders as there are by Palgrove Ultrablack sires out of a medium to large frame Ultrablack and Brangus cows. These heifers are ready to join as they haven't at the opportunity near a bull. Heifers worked well through yards with young kids helping out. These heifers would make ideal future breeders.
