Assessor Comments	A/c HK Cowland & Co "Robin Valley" offer 42 EU Hereford heifers NSM, Sired by Taronga & Ennerdale hereford bulls. Heifers are 12-15 months of age with a weight range of 250kgs - 344kgs to Avg 282kgs full. Vendor has retained the balance to grow out and join for 2025 autumn calving. These heifers have plenty of breeding behind them, but due to lack of feed and dry conditions vendor can not retain for much longer due to the reason of sale. Heifers would suit multiple options, given time and feed these heifers would make ideal future breeders or would fatten and make good kill cattle. Vendor reatins steer portion each year and grows into bullocks. Note: 1 head has old pink eye scarring but is all healed.
