Exceptionally well handled young backgrounder steers, broke in by Henry McGrath. A credit to the breeder & handler.

Assessor Comments	A line of well handled Brahman and Brahman cross steers showing good frame, bone and tidy around the head. These steers have been yard weaned and handled extensively and are ready to go ahead and perform on grass or crop. These steers I'd expect to all grow out to export feeder and slaughter weights given the right conditions. This vendor also has 3 other lots available in this sale. I recommend these steers.
