Assessor Comments	*Outstanding Quality Steers* 96 Angus Steers weighing 366kg full at assessment. June/July 2023 Bred out of a Large Frame Angus herd by Mandayen Angus Bulls. The steers present in god strong healthy store to forward store condition. A very rear opportunity to secure the Woodstock Partner steers as they are always ran through into the spring and finished for a supermarket on grass. Only selling due to a dry Autumn and looking to be a late start. *These steers come with my highest of recommendations* Please not there are 2 pick ups for the truck 30km apart & all baldy steers from the videos are not in the lot.
