Exceptionally well handled young Backgrounder steers, Broke in By Henry McGrath. a credit to the breeder & Handler.

Handled With: Bikes , Dogs , Vehicles

Assessor Comments: Backgrounders this is a great opportunity to buy 2 decks of hgp free, exceptionally quiet well handled steers, with a power of frame, genetics and great temperament. These steers where drafted and weighed twice on the day of assessment and handled this amount of contact brilliantly. The are very well grown and show good bone, sound eyes and feet. Generally tidy around the head these genuine cross bred steers will grow out to meet multiple domestic & export markets. This vendor also has 3 other lots of steers for sale in this sale. I highly recommend these steers.
