Assessor Comments	Very good quality weaner Heifers from one of the better herds in this district. Ideal Heifers to join and they would make for front paddock Cows, alternatively they would perform on grain or grass. These Heifers present in fresh condition and have had no set backs. This herd has undergone a heavy culling regime in the last few years and that shows through. The tail has been taken out. NOTE there is another 3 lots from this property in this sale as well as another two local district lots.
