Assessor Comments	Backgrounders here's a great line of genuine first & second cross Angus steers, hgp free, exceptionally quiet well handled steers, with a power of frame, genetics and great temperament. These steers where drafted and weighed twice on the day of assessment and handled this amount of contact brilliantly. The are very well grown and show good bone, sound eyes and feet. Generally tidy around the head. These genuine cross bred steers will grow out to meet multiple domestic & export markets. This 3 deck lot will be a run out the gate consignment from a line of 195 steers drafted off at assessment. This Vendor also has 3 other lots being offered in this sale. I highly recommend these steers.
