Assessor Comments	Good to very good quality vendor bred heifers, yard weaned at assessment. Medium frame with good growth for age. Note there is a spread of age and weights in the line. The heifers are sired by Mooroobie Angus bulls out of Angus and Angus Hereford cows, majority of cows are Angus. Note the heifers were weighed after being in the yards overnight with their mothers. They have been vaccinated with 5 in 1 at branding. Note their brothers are in this sale also. Pregnancy test certificate is attached.
