Notable Traits

	Traits
3 Head	Light old blue eye scarring
2 Head	Warts

Assessor Comments: A very nice mob of Autumn drop Angus heifers. Heifers are extremely well bred being bred out of large frame Lawson blood cows by Karoo Angus Sires. Heifers were due to be joined in May and added to the vendors herd. Heifers have been handled exceptionally well and are very quiet. They will present in good forward store condition and would make lovely heifers to join or grown out for trade heifers.
