Bikes

Assessor Comments
Complete Herd Dispersal due to sale of property.. A good opportunity to secure a run of Angus cross cows & calves that would normally be kept as breeders. These cows have been running with Angus bulls ex Gunda Park Angus & Marcella Angus Stud. Cows have been blooded. Bulls are LBW with good temperament, structure & high EBV figures. These young cows are doing a great job on their calves. Calves consists of 33 heifers & 30 steers. 1 heifer calf was treated with Metacam for scours, still healthy.
