Notable Traits

	Traits
2 Head	Rub Marks Due to Buffalo Fly

Assessor Comments An Excellent Opportunity to obtain top quality, extremely quiet, young PTIC replacement females with a pedigree & Full Breeding History. These Heifers are all sired by Y3K Challenger & are bred out of Registered Newcombes Charbray Females that have since been removed from the Charbray Society's current inventory. Subsequently these females all have the option to be fully registered at the cost to the successful purchaser.
