Assessor Comments: 62 Angus Feeder Steers. Buyers a very neat even line of feeders in a tight weight bracket 448-538kg(full). Steers purchased x Oberon in December out of a very good cow herd of Kenny's Creek and Landfall Angus Bloodlines. Steers with very good frame, stretch and depth of body. With a very good reputation on both grass and grain these steers will

	continue to grow into ideal heavy mid or long fed steers. Steers that are right on the do and won't disappoint!
