Assessor Comments: Outstanding quality beautifully bred "Okeview" steers in which there is 330 in total to be sold as three even runs out the

	gate. Anyone looking to procure steers that are ready to fire with all the hard work already been done need look no further than right here. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past and these steers will tick all the boxes and will suit the most discerning buyer.
