| Handled With | Bikes , On foot , Vehicles |
| Assessor Comments | This is an excellent opportunity to secure a nice lot of extremely well-bred heifers bred out of the Hassell Trading Trust herd. These heifers are bred out of very large Angus cows and will grow into big cows or heavy heifers if shown the right feed. They were joined to LBW Nampara Angus Bulls. These heifers are PTIC for the last cycle of the joining period and should calve from early to mid September. These heifers come highly recommended. |
