	Steers good to handle through yards, odd steer got slightly agitated in crush, settled when back in mob.

Assessor Comments	Quality line of Angus & Angus X steers. Presenting in good store to forward condition, these steers are just hitting their straps and given the opportunity will bounce away on feed Observed approx 1 steer with old pink eye scar. Angus/Angus have yellow eartags & Angus-Angus/Santa X have white tags. A very nice line of well bred weaners that are good to handle presenting an excellent opportunity to secure a good line of a/c the breeder steers to target trade or export markets.
