They are in forward store condition and presenting strong and healthy and will travel. They are receiving an increased diet to assist with delivery. Genetically based on Rennylea, Knowla and Mundarlo Angus blood out of large framed classed breeders with ample expense invested in Bulls and semen. PTIC to AI and backed up naturally with Landfall Keystone, Mundarlo, Reiland. Genuine vendor bred breeders heifers that offer the successful purchaser the chance to get into quality genetics that would not normally be available.
