Well mannered females & calves. Extremely quiet to handle in and around the yards. Stood like lambs in the crush, and all exited at a steady walk. Lovely young heifers that could be handled by a stock person of any experience.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	These are a very nice line of Cows & Calves to suit a hobby farm operation. Lovely quiet cows, with well marked calves at foot, & potentially back in calf to the ever reliable Rip Van Winkle R38, who has been a good consistent colour thrower and a very easy calver. Cows that have done it tough in a very unforgiving season but put everything into their healthy young calves. A nice little lot of units best suited to a hobby farmer, with a potentially in calf, cow and a calf at foot approaching a weanable age/weight.
