Assessor Comments	Nice line of young heifers carrying some lovely markings. Out of a long line of Mt Eccles blood cows, by Te Moori Rip Van Winkle R38. Heifers that have just been ticking along on very ordinary pastures on the side of a cold Tallarook hill & would kick away with some feed put in front of them, offering some good, early compensatory weight gain for the successful purchaser. All heifers are at a joinable age/weight if you wanted to put a bull in with them.
