Quite good to draft and handle in yards. Some heifers agitated when Preg tested or alone in force yard. Free moving heifers.

| Assessor Comments | 2 Decks of Brahman heifers that show plenty of frame, fresh in condition and PTE ideal to take on to crop and feed. Heifers were no trouble to draft for experienced stockperson. Some heifers agitated when confined. A lot of true to type Brahman heifers with a sprinkling of Xbred type heifers through them. Good condition to join up if required. |
