Assessor Comments	16 x 16 NSM Angus cows & calves with their third calf at foot. Cows are Dunoon & Rennylea blood and the calves at foot are sired by Barwidgee Angus bulls. Very quiet and easy to handle in the yards and the paddock. Only selling due to these being out of sync with the rest of the herd and to reduce numbers in dry conditions. Ready to be put to a bull of your choice. Cows present in good condition given the season and the big calves at foot, all very good mothers doing an excellent job of their calves.
