Odd cow just sticky pushing through the force and up the race, nothing showed any aggression just older cows showing stubbornness

Handled With	Bikes , Vehicles
Assessor Comments	An even line of Angus/Simmental X Cows that have done an exceptional job of their calves that were weaned prior to assessment. Cows are joined to large framed Banquet and Woonallee Bulls that will breed a solid black calf with plenty of shape and weight. A good opportunity to tuck away sound young cows with their lives ahead of them for a genuine Spring calving.
