Assessor Comments	An outstanding line of quality Angus steer weaners. With the tight calving present very even. Suit the discerning backgrounder or feedlot to take to heavier weights. Younger steers were removed and assessed for the same sale. Just have a look at the great bone and muscle definition on this top line of calves. Note an excellent weight for days of age. They were a pleasure to handle in good facilities. With the feeder steer market on the rise here is your opportunity to capitalize.
