The Heifers came through the pound when drafting quietly. there were 3 heifers that did not stand in the pound however they were not aggressive. They were re penned and weighed to be assed and flowed up the crush nicely and stood in the race while waiting very well. There were 4 heifers that were agitated in this process but settled down quickly when returned to the mob.

Assessor Comments	On offer is a really nice line of soft Simental and Charolais cross bred heifers. This lot is a bit younger and therefore lighter than the sisters on offer. These heifers are out of a cow herd that has been using Simental as its base for many years. Sires are from Billa Park, Moongool, Casa Toro and Summa Simental. and Betta field Charolais. These heifers have the makings to be future breeders they show kind temperament and are out of cows that are preg. tested yearly to ensure fertility in the herd. They certainly would be excellent backgrounder heifers, there is plenty of options here. there are another 3 decks of their sisters in this Auction and 6 decks of steers
