All Heifers were very good to handle considering they were pulled off the Cows 3 days prior to assessment. All Heifers flowed through the race good with only 4 being slightly agitated when being weighed.

**Handled With** Bikes

**Assessor Comments** Buyers a good line of well bred Heifers for sale. These Heifers show good weight for age and would be ideal to put on a Winter crop to take through to heavier weights to take through to either feed or breed with. These Heifers show good shape and softness. Heifers are well bred being by high growth Bulls that were purchased looking for high growth targeting MSA markets. The Vendor has had exceptional results in the past with their cattle on MSA indexing and yielding results. Please note there is 1 Heifer that is a late branded No4.
