	Heifers flowed well through the yards. Some heifers became agitated once placed within the crush, however they settled down once they returned to the mob.
Handled With	Bikes , On foot
Assessor Comments	On offer are 32 large framed Charolais Cross backgrounder heifers. These soft heifers display great length, depth and bone making them ideally suitable to background, feed or breed from. These large framed heifers will power ahead if placed onto improved pastures or feed allowing for good compensatory gains post delivery. Please note one heifer showing early signs of blight however at this stage not detrimental to vision. The vendor also has another lot of heifers within the same sale.
