Assessor Comments	A very good line of Weaner crossbred Steers. Majority of steers are black with 11 straight Angus. Steers are well grown and show good bone and muscle. These steers have had a good season which is drying off now. Mouthed 6 bigger steers - all good milk teeth. Very good temperament. Steers will make very good trade/export feeder steers or take though to heavy kill bullocks. Vendor bred steers bloodlines include Angus - Millah Murrah, Lilonga and Santa - Rosevale. Note: Vendors have 33 heifers available in this sale as well.
