|                               | These heifers work very well and respect pressure. They do come from big country and walk well, look for gates and races while still respecting blocks, fences and gates. A pleasure to handle in the yards and weigh.                                                                                                                                                                                                                                                                          |     |                                                              |     |                                     |     |

| Assessor Comments             | Future Breeders, Feeders or Grower Heifers - That's the option available with this outstanding line of Santa Heifers. These heifers have powered ahead since weaning and are a credit to the vendor. Heifers were weighed between 220 & 260kg giving you a line of heifers that are consistent in size and growth. Bred to perform with the vendors using Dangarfield Santa bulls for many years. These heifers are not to be missed. *** Note another 4 lots are available in this auction *** |     |                                                              |     |                                     |     |
