Steers were a pleasure to handle right throughout the weighing, drafting & photo/video process. Steers worked well & folded through Butheroo yards quickly with little man power. These steers were weighed in a weigh box & then assessed in crush. A small portion became agitated in crush as expected due to not being through set up since animal health treatments. Steers have not been drafted through a round yard set up as always drafted out front of crush.

Assessor Comments	TOP DRAFT of genuine VENDOR BRED, ONE MARK , AUG/SEPT drop 23, PURE BRED Angus weaner steers presenting in strong store to forward store condition. 120 Angus steers to be sold in 2 lots of 60 as a run out the gate scenario. This is the Top 38% of the Angus steers offered from Butheroo which were originally planned to grow out to hit feeder/fat market but due to seasonal conditions, the small amount of crop available is now being utilized for breeders. Butheroo Angus program has allows been heavily sought after by numerous feedlots as they have the renown Angus genetics (Temania, Booramooka, Coffin Creek & Eagle hawk). These steers present in perfect condition with plenty of growth & frame given the correct nutrition will flourish to be utilized to hit numerous targets. Note: Approx 30% of steers exhibited ring worms on neck, nose & eye region which is caused by nutrition & stress of weaning. This heals naturally & was deemed non detrimental. OPPORTUNITY KNOCKS.
