Assessor Comments	A very nice line of heifers sired by Palgrove Charolais bulls that have put muscle and softness into these animals. Heifers present in fresh forward condition and given the right opportunity could be fattened into domestic or export weights. Heifers show very good growth for age and sound confirmation with all heifers showing the body shape and softness to finish. These cattle have previously excelled when given the opportunity to fatten on grass or grain. Vendor has steer portion of these in this sale. Grass Fed
