Notable Traits	Traits

1 Head	Light old pinkeye scar
1 Head	Small amount of warts

Assessor Comments	Cloverbrook offer 39 Kelly Angus blood Angus heifers for sale. Heifers have plenty of breeding behind them, however they have done it tough throughout this trying season. Heifers would improve rapidly given the opportunity and feed there is plenty of compensatory weight gain in them as they are all frame carrying little condition. Heifers are extremely quiet and easy to handle. Heifers are grass fed and antibiotic free as well as Greenhams Never Ever accredited.
