| Assessor Comments | A neat line of Angus & Angus Cross steers presenting in store condition. These steers would be ideal for the backgrounder to grow out to feeder steers. The Robinsons have been strategically breeding cattle to perform for the domestic and export feedlot markets putting strong emphasis on marbling, growth rate & temperament. The temperament of these cattle is an absolute credit to the vendor with the majority confidently being described as docile. Please note vendor has a line of 12 heifers in the same sale. |
