	The steers handled well through race and crush free flow moving cattle. A few steers got agitated while in the crush but settled down once returned to the mob.

Assessor Comments	The Black Baldy steers of Moyhall Station. , These steers are highly sought after from repeat buyers to finish on Grass and take out to bullocks or into feedlots. All the hard work has been done carrying through the tight Autumn, these steers present with plenty of frame and compensatory growth. They have all the boxes ticked, Black , EU, grass fed only , Antibiotic free, Pure Landfall blood and a positive cattle market!! They come with my highest recommendation. Buy with confidence. PLEASE NOTE: Vendor has 4 other lots of steers in same sale . COMPLETE DROP.
