Very good set of yards and steers flowed through very well. Well handled, very odd steer that wasn't as settled with extra pressure in the round yard. Overall very well handled quiet cattle.

Handled With	Bikes , Horses , On foot
Assessor Comments	A very good line of USDA NOP Organic & EU X'bred steers. A good run of steers with length & bone ready to take off, all the hard work has been done. Ideal to take through as heavy feeders or fatten for the organic/EU premiums.
