Assessor Comments: Buyers today we offer you 35 very well bred F1 Wagyu Steers. On assessment these Steers averaged 246 kg on delivery and are showing good frame. All Steers are sired by Pinnacle full blood Wagyu Bulls, one of which is the highly sort after

	"Marblemax" FB WAGU 128 | JCRFH0128 |68892317. These Steers were very good to handle and are an absolute credit to the vendors program. Their temperament was outstanding. The Steers have all been vaccinated with a 7 in 1. This is a great opportunity to secure yourself a neat deck of F1 Wagyu Steers ready for their next program. Please note on assessment it was noted that a few Steers had a small amount of warts around their neck but I believe is not detrimental to the animal. Buyers please note Vendor does have another lot in the same sale.
