Assessor Comments	Buyers on offer are 50 Good quality trade heifers that are ideal to feed for the domestic market or to take through to heavier feeder weights or grow out and take through to Kill weights. These heifers show good weight for age, with plenty of length and depth with majority standing on good bone. These heifers show good femininity and could also suit the future breeder market and are ready to join to the bulls of your choice in the coming months. Buyers please note, 2 heifers had old blight scarring at time of assessment.
