Assessor Comments	An great opportunity to purchase a quality line of quiet, weaned, Yarrawalla bred Angus steer's,carrying strong Lawson Angus genetics. These steers present in forward store condition, displaying plenty of frame and length and are ready to leap ahead come Spring. Out of a very good cow herd, these steer's would suit both a backgrounder or Fattening operation. Please note the same vendor has another 26 steers and 36 heifer's in this sale.
