Assessor Comments: Buyers, Here is a good line of well bred weaned EU light weight Angus Steers that average 261kg. Steers only present in store condition as they are only starting to clean up after winter. These steers have great breeding with a reputation, steers have very good length of body and bred characteristics. Steers are out of medium to large frame Golden Arrow Grazing cows by stud Booroomooka Angus sires. They are very quiet to handle through yards. These steers are are ready to bounce away on good feed.
