Assessor Comments	Light weight Pure Angus heifers with plenty of frame. These heifers are 100% weaned well educated and extremely quiet to do anything with. All the hard work is done on these heifers and would suit any program. Given the type and style of them they would make exceptional breeders. All the heifers have been 5in1 and wormed recently. Heifers are guaranteed to be empty as they received a needle of Estrumate at assessment to ensure an empty status. Very nice cattle well worth a look!
