Assessor Comments	A quality line of Charolais and Santa cross weaned heifers sired by Palgrove Charolais & Swan Hill Santa bulls. These weaners display great frame, length and softness and will go on to preform for the successful purchaser as either feeders or breeders. These heifers handled through the yards at assessment with ease and will continue to undergo education by the vendors until delivery. The cattle in this lot will remain in the weaner yards and fed quality hay up until delivery this will ensure cattle are well looked after and following delivery offer good compensatory weight gains to the successful purchaser. The Hall family cattle are back by continued return buyer support as their cattle are known for performing on either grass or grain. These heifers will not disappoint. Please note the vendor does have several lots in the sale all sired by Eaglehawk Angus, Palgrove Charolais & Swan Hill Santas.
