Assessor Comments	On offer is 93 spring 24 born AI bred & Barwidgee blood weaned Angus heifers that present in very strong store condition .Heifers are bred out of large framed TeMania blood cows and will flourish with the right conditions to make outstanding future breeders or heavy trade weight. The McMahons are renowned in the district for the quality of cattle that they offer for sale, winning best presented pen in Mortlake feature sales. This is the entire run of heifers with a small tail removed. These heifers have fantastic temperament and come with my highest recommendation.
