Assessor Comments	A very well put together lot of quality bred angus heifer calves showing softness in the coat and displaying characteristics of moving forward in frame and weight. these heifers are by gilmandyke blood cows and gilmandyke blood bull m282. Macquarie stud always put a big emphasis on buying quality bulls and the results are evident with each drop. thee cattle have been weaned at assesment and handled very nicely through the yards. Here awaits an opportunity to purchase quality heifers that will perform to take on as future breeders or into a feeder or prime weight. buy with confidence at a respectable rate.
